Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises. It is where the intent of the City Council is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. This type of fund is also used where the City Council has decided that periodic determination of net income is appropriate for accountability purposes. The city has five nonmajor enterprise funds.

<b>Sewer Fund</b>	This fund is used to account for the operations of the City's Sewer Utility.
