What is a Home Energy Audit?

A home energy audit is an inspection of your home that can help improve energy efficiency and comfort.

A **Home Energy Audit** includes the following:

- ✓ Analysis of home's historical electrical usage
- ✓ Short interview with homeowner
- ✓ Inspection of appliances (includes measuring water and refrigerator temperatures for proper settings)
- ✓ Detailed review addressing areas of concern; estimated energy savings, cost and payback periods; and recommendations for improving energy efficiency

How Do I Schedule a Home Energy Audit?

To schedule a home energy audit, simply complete the attached request application and submit it to City of Chaska Electric Department.

How Do I Qualify?

- Residential customers receiving electric service from City of Chaska Electric Department are eligible for a reduced price home energy audit.
- **The Home Energy Audit must be performed by one of our trained professionals.**
- The Home Energy Audit must be conducted in a home that receives electric service from City of Chaska Electric Department.
- Reduced price audits are limited to one audit per customer account per three years.
- Audit requests are processed on a "first-come first-served" basis. Funding for the program is limited and any requests received after the funding limit has been reached will not be approved. Program, qualifications, and amounts are subject to change at any time. The customer is responsible for checking with City of Chaska Electric Department to determine whether the program is still in effect.
