#	RESPONSES	DATE
1	basketball hoops, slides, monkey bars, climbing structures, benches, no rocks, soccer goal nets, tennis courts, areas for shade	3/8/2021 10:35 AM
2	wood chips or surface similar to Lake Ann/Lake Susan playground. NO recycled tires, they are hot and smelly. more trees/shade, trash bins, picnic tables/benches	3/7/2021 10:35 PM
3	not sure	3/7/2021 8:54 PM
4	It would be nice to have a way to have more shade. It would be nice to have a place to sit and have a picnic. More play equipment would be nice.	3/6/2021 1:10 PM
5	playground, concrete bag toss, grass volleyball	3/5/2021 11:57 AM
6	Definitely have a playground for little kids and the basketball court is nice. Your idea of concrete ping pong tables would be nice. We would like a couple picnic tables, benches where people could sit away from the playground (I feel it may make parents uncomfortable if an adult sits there who doesn't have kids playing there), a little path or boardwalk for each little pond: the one closer to the playground so kids can look for tadpoles and minnows and the pond farther from the playground so kids can more easily reach the pond for skating (this path would come from the Purple Brick Road side). It might be nice to have benches on the boardwalks so people could enjoy the view and all the wildlife activity at the ponds.	3/4/2021 5:25 PM
7	More swings, more slides - more playground equipment	3/4/2021 4:51 PM
8	We like the proposed ideas of Ice rink, warming house, bag games, updated play area for kids. We would request pet cleanup signs and bags for people to clean up after pets and trash can year round. The bike path plowed during winter. Surveillance cameras.	3/2/2021 5:58 PM
9	picnic tables, concealed garbage cans, shelter house, gaga ball pit, new playground equipment, outdoor fitness, comfortable seating, water feature, splash pad or community pool.	3/2/2021 10:29 AM
10	basketball, colorful play area for young children, more swings	3/1/2021 1:45 PM
11	The options in the mailing we right on track, ping pong, volleyball (why not sand), bag toss, playground	3/1/2021 8:30 AM
12	Bigger park area for older kids, exercise area for kids, exercise area for adults, better basketball court/hoops, family games	2/28/2021 7:44 PM
13	more variety, smaller child friendly options.	2/28/2021 3:08 PM
14	fenced dog park! with water.	2/28/2021 10:15 AM
15	none	2/28/2021 10:03 AM
16	Updated equipment, more accessible equipment for those with physical disabilities.	2/27/2021 2:05 PM
17	Outdoor fitness, concrete ping pong and bag toss, updated playground equipment	2/27/2021 11:46 AM
18	Of your suggestions, grass volleyball and concrete bag toss and playground. Perhaps a basketball hoop. Is there a concern that the concrete bag toss would get used more as a bike and skateboard jump than as a bag toss?	2/27/2021 8:54 AM
19	We don't have kids so that influences how we would use the park. More picnic benches to allow seating in the park. More trees to provide some shade and maybe separation from the road. Maybe a little splashpad with fountains for kids, adults, dog to run through on hot days. I see a lot of people playing frisbee or fetch with their dogs so keeping some open grass area is important. Having sidewalks that weave throughout the park for walking.	2/26/2021 11:04 AM
20	Variety of equipment. Traditional equipment (swings, slides, etc.) with some more unique/creative equipment. Rubber pit or flooring would be preferred to sand/rock.	2/25/2021 10:54 PM
21	A great playground. Climbing areas. Splash pad. Bean bag toss, basketball courts, picnic tables, swings, etc.	2/25/2021 10:45 PM
22	Multi-age appropriate playground equipment. Similar to what is present at Lake Susan Park in Chanhassen. Small shaded picnic shelter. Benches near shade trees. Bag toss	2/25/2021 7:26 PM
23	I liked some of the park ideas included in the flyer like outdoor fitness/ping pong/bag toss.	2/25/2021 5:01 PM

	Things like that for older kids would be nice.	
24	No pea rock - cushion grounding. Zip line	2/25/2021 12:29 PM
25	Picnic tables! Path to main area to walk in. Bagtoss, pingpong, fitness all would be nice.	2/25/2021 9:37 AM
26	Tether ball, ping pong and bags. benches and some tables	2/25/2021 7:43 AM
27	grass volleyball, ping pong	2/24/2021 6:52 PM
28	More options for play equipment for younger and older kids. Outdoor fitness options. More seating with some covered if possible. Swinging benches like at Fireman's Park!	2/24/2021 1:37 PM
29	Updated playground equipment. Community Pool	2/24/2021 9:44 AM
30	more options for littler kids, more benches for parents, maybe an alternative to the rocks in the playground area	2/24/2021 8:40 AM
31	Rubberized play surface No rocks no wood chips	2/23/2021 10:16 PM
32	Slides, sunshade, swings, digger seat	2/23/2021 10:11 PM
33	More slides and jungle gym equipment, a softer surface for the playground (wood chips or rubber instead of gravel), basketball court, benches, plenty of shade.	2/23/2021 8:13 PM
34	updated playground for the young kids, benches and picnic tables	2/23/2021 6:19 PM
35	Outdoor fitness Concrete ping pong	2/23/2021 6:18 PM
36	We would love to see the basketball court repaved and a Pickleball court added	2/23/2021 6:03 PM
37	A fenced off dog park area! Many people bring their dogs there and let them run loose.	2/23/2021 5:35 PM
38	Turf instead of rocks, climbing structures, toddler area vs big kid climbing area	2/23/2021 12:57 PM
39	- More and updated swings, if possible. - I love the idea of including other features based on the photos, but I hope we keep some of the open grass space to run, play, and explore. - A bit more renovated playground space, it can get cramped on the equipment and seems old. - Ping pong, bags, volleyball, and fitness ideas in the letter look like fun for all ages! - Renovated basketball court (doesn't have to be major, just spruced up). - Keep or add more trees surrounding the park. Great for shady spots to rest.	2/23/2021 12:42 PM
40	Nothing. No need. Fine as it is.	2/23/2021 11:26 AM
41	Playground, Outdoor fitness	2/23/2021 9:52 AM

43	More picnic tables and trash cans.	2/23/2021 6:07 AM
44	It would be fun to see ping pong or volleyball	2/22/2021 10:50 PM
45	Kid parks are great and should be there but things for adults to enjoy to. The pictures outdoor fitness, ping pong and bags seem fun. What I really want is a place to play horse shoes!	2/22/2021 9:10 PM
46	Pickleball court Grass Volleyball Fire pit Dog Park Concrete bag toss Playground Outdoor fitness	2/22/2021 9:00 PM
47	*Gaga ball pit *Cork track for running	2/22/2021 8:28 PM
48	Outdoor fitness, concrete bag toss, hammock poles.	2/22/2021 8:11 PM
49	ICE ARENA!!!! And PICKLE BALL Courts in the summer. Tons of people have their own bag toss boards at home. Grass volleyball looks fun, but I wonder how long until someone hangs on the net and it tears. Gotta have the rink. We have people making their own on the little ponds around our neighborhood but the snow is too much to shovel off.	2/22/2021 7:07 PM
50	We LOVED this park when our kids were young. The swings were always great and the climbing equipment enabled them to play Hot Lava and tag, etc. We don't have the opinions that we used to now that our kids are grown but we do like the concepts of the bag toss game and ping pong tables.	2/22/2021 6:47 PM
51	Playground area/shaded areas/seating/swings/outdoor fitness	2/22/2021 6:00 PM

Cortina Woods Neighborhood Park Survey

52	A playground (preferably with monkey bars and swings) and the outdoor fitness area would be really nice. We would not utilize a concrete bag toss or ping pong.	2/22/2021 5:09 PM
53	love the ideas of grass Volleyball. Concrete ping pong and concrete bags	2/22/2021 4:03 PM
54	Updated basketball court, a place to throw away garbage and recycle, safer play area for the younger children in area.	2/22/2021 3:57 PM
55	Swings (baby and regular), several types of slides, climbing area	2/22/2021 3:31 PM
56	Some type of sail or umbrella shading - the whole playground gets too hot in the summer. The kids can't touch the equipment because it's too hot.	2/22/2021 3:09 PM

1	We love this park and glad it is getting the much needed make over. More climbing structures and things geared to both young, but also family activities with older kids is a must.	3/8/2021 10:35 AM
2	Love the Power Hill playground in Chanhassen, creative play structures for a wide range of ages. This is a widely used park for both neighbors and chaska residents about town due to its close proximity to target/chaska HS, etc.	3/7/2021 10:35 PM
3	keep up this nice park. it really adds to the overall positive environment here in Chaska.	3/7/2021 8:54 PM
4	We like having the park close by. We can see the park and enjoy hearing the kids play!	3/6/2021 1:10 PM
5	Some of these features could create potential vandalism. Would like more seating for spectators.	3/5/2021 11:57 AM
6	The concrete ping pong and bag toss would give older kids and adults activities at the park plus maybe there are other games that could utilize the basketball court and be painted on the surface.	3/4/2021 5:25 PM
7	Looking forward to the improvements	3/4/2021 4:51 PM
8	We often see people not picking up after their dog. A posted sign would be nice.	3/2/2021 5:58 PM
9	We love the space at the park, there are so many opportunities to improve the space and make it more functional for families and those that like to be outdoors all year long. We do not want it to become a hang out for just anyone though and I think there need to be some parameters set as to hours of the park operation if you were to add amenities that appealed to youth/teens. With it's proximity to the high school we don't want it to become a place where people who aren't there for good reasons to loiter and create issues.	3/2/2021 10:29 AM
10	A beautiful updated neighborhood park raises the property values of everyone in the community. Even if you never use the park it benefits all	3/1/2021 1:45 PM
11	Thanks for making the neighborhood park a priority.	3/1/2021 8:30 AM
12	Nothing else	2/28/2021 7:44 PM
13	maybe not sand or gravel pit for the playground. maybe use the black, bouncy padding	2/28/2021 3:08 PM
14	it is under utilized because there aren't enough amenities. the playground already caters to families with small children. something for those of us with dogs in walking distance would be a huge bonus and not a ton of money. i have to drive to dog parks otherwise.	2/28/2021 10:15 AM
15	none	2/28/2021 10:03 AM
16	As a neighborhood that likes to be active, having pickleball courts and an outdoor fitness area would encourage people to get out of the house more and utilize that space.	2/27/2021 2:05 PM
17	Water fountain would be nice	2/27/2021 11:46 AM
18	Unless the current playground equipment is unsafe, why replace it now? I do not think concrete ping pong would be used. I do not think hammocks are likely to be used much at all. The plastic playground equipment that has become commonplace fades quickly and does not look as nice or inviting then.	2/27/2021 8:54 AM
19	If you're hoping to bring foot traffic to the area I think you need to consider enhancing the safety of the crosswalks. We cross hundredmark and often people don't always stop to allow people to cross or don't slow down. Also many cars speed down the road from the HS. Also having more trash cans accessible to keep the park clean.	2/26/2021 11:04 AM
20	The park and it's proximity to our house (Cortina Woods - Christian Pkwy) was a factor in why we chose this house, and a great asset for families in all the surrounding housing. We very much appreciate the investment being made in the park, and know that we will continue to utilize it often. We feel that there are good examples of other similar parks in our neighboring cities (Chan, EP, etc.) that would be good examples of how the park could look in the future.	2/25/2021 10:54 PM
21	We love that park and its been torn apart for over a year. Please hurry!	2/25/2021 10:45 PM
22	Park currently seems very underutilized. I seldom see anyone there as I am walking through that area. Appears to be lots of space available for improvements.	2/25/2021 7:26 PM

23	The park is a great part of the neighborhood. Nice to have something for multiple ages.	2/25/2021 5:01 PM

34	We definitely don't want a lot at the park. No bag toss, ping pong, volleyball, or hammock poles. It will bring in too many teenagers and adults that could cause noise and bad behavior.	2/23/2021 6:19 PM
35	None	2/23/2021 6:18 PM
36	Thanks so much for asking for feedback, good luck!	2/23/2021 6:03 PM
37	It's so dangerous to cross Hundertmark to get to the park. Why don't we have an official crosswalk? Also, why isn't the trail that runs through the park up to Manuela plowed in the winter?	2/23/2021 5:35 PM
38	More tunnels and walkways between structures for kids to climb on!	2/23/2021 12:57 PM
39	- The hammock poles idea seems a little odd to me, especially bringing young kids around. Not sure how popular those are though. - Want to re-emphasize that I hope some of the grass space will be preserved. - Ending this with how excited we are for this park to get an update! We love visiting because it's the closest, but it can definitely use an upgrade. I also appreciate that ideas are considered for not just kids—whether it's us as parents or when our kids grow. Thank you!	2/23/2021 12:42 PM
40	It's fine as it is. Thank you.	2/23/2021 11:26 AM
41	We are too new to the neighborhood to have used this very much. We look forward to using this spring/summer.	2/23/2021 9:52 AM

43	A nice natural color to a playground structure would be nice. Also, Landscape Structures is an amazing Playground company. I hope the city is getting a bid from them. My brother is the President and they have the best ideas in playgrounds.	2/23/2021 6:07 AM
44	.	2/22/2021 10:50 PM
45	A few more trees might be nice. Ones that grow taller.	2/22/2021 9:10 PM
46	Thank you for asking for our feedback. We are residents of Pioneer Pointe. Many seniors. Lots of dogs. We walk by the park almost daily in the spring, winter, and fall. Rarely cross the street. We would love to have a place to sit and visit with friends or to work out.	2/22/2021 9:00 PM
47	*I will like to see more trees * I want a dog carrel Thank you!	2/22/2021 8:28 PM
48	Perhaps add a free goals for disc golf.	2/22/2021 8:11 PM
49	It is a beautiful space with tons of grass. Willing to bet you have the room to do some pretty cool stuff there.	2/22/2021 7:07 PM
50	I am so glad that the city sees these parks as a worthy investment. We had hours and hours of enjoyment there when our kids were young. I see our neighborhood turning over to young families once again and it is a big draw to have such a nice park so near!	2/22/2021 6:47 PM
